

## CVWD Contact Tracing

Close contact is defined as someone who is within 6 feet of an infected person for at least 15 minutes starting from 48 hours before illness onset until the time employee begins isolation or, for asymptomatic persons, the 10 days before HR/Risk’s exposure notification. HR/Risk will keep your information anonymous and inform coworkers of their potential exposure in the workplace. The District strongly encourages you to report your positive or potential exposure on the state’s contact tracing site, California Connected. *You may inform your personal “close contacts” of your exposure, but if you wish to remain anonymous, report your status on the website so that the contact tracers can reach out to the individual(s).* You may obtain a copy of this form to assist you with your website reporting.

Name:		Email:	
Address:			Phone:
<b>Symptoms:</b> <input type="checkbox"/> No <input type="checkbox"/> Yes <i>(If Yes, specify which ones below:)</i>		<b>Which category do you fall under?</b> <input type="checkbox"/> High Risk <input type="checkbox"/> Medium/Low Risk <i>(See bottom of this page)</i>	
<input type="checkbox"/> Shortness of breath or difficulty breathing <input type="checkbox"/> Fever or chills <input type="checkbox"/> Congestion or runny nose <input type="checkbox"/> Fatigue <input type="checkbox"/> Loss of taste or smell <input type="checkbox"/> Headache	<input type="checkbox"/> Sore throat <input type="checkbox"/> Cough <input type="checkbox"/> Muscle or body aches <input type="checkbox"/> Nausea or vomiting <input type="checkbox"/> Diarrhea	<b>If symptomatic, what day did your symptoms begin?</b>  	<b>Your exposure category &amp; how long to trace contacts</b> <input type="checkbox"/> Primary (48 hrs from symptom onset) <input type="checkbox"/> Symptomatic Primary Exposure (48 hrs from symptom onset) <input type="checkbox"/> Asymptomatic Primary Exposure (10 days before notification) <input type="checkbox"/> Secondary Exposure (10 days before notification)
<b>The last day you were at work?</b>			

Account for the **dates/time** (*48 hours before symptoms started or the 10 days before the District notified you of your exposure*), **locations** you visited, and the **people** with whom **you had close contact**. Fill in the information below to the best of your ability. This will help the District identify people and the locations for deep cleaning and disinfection.

Date	Time/Duration	Location(s)	People with whom you had close contact

*\*Use additional sheets if needed.* | **High Risk** = Older adults (65+) or have any medical conditions listed in Attachment L | **Medium/Low Risk** = Not High Risk
